FILIPINO HERITAGE MONTH IN CANADA

It's Filipino Heritage Month, a time to celebrate the rich cultural tapestry of the Filipino community in Canada! This month, we recognize the resilience, history, and traditions of Filipinos and their positive impact on our communities. Together, we honour the spirit of 'bayanihan', where community and cooperation create a stronger, more vibrant Canada.

MANITOBA OUTREACH

On June 15th, the ACE staff traveled to Neepawa, Manitoba, to join the Filipino Heritage Event. As one of the sponsors of this event, we also had the pleasure of meeting our ACE students from the area. They shared their positive academic experiences at ACE Career College. Also, we encouraged potential students to join our community.

Upcoming events...

Summer is fast approaching! Did you know that ACE Career College actively participates in summer events? Our first event is the **STAMPEDE BREAKFAST on July 7, 2024**. We will have a booth there, and we encourage our students to drop by for a free breakfast. You can also volunteer to earn extra credit. Some of your instructors will be there too! It's a great opportunity to connect with fellow students, meet your instructors outside the classroom, and enjoy the festivities. Don't miss out on the fun, food, and community spirit. We look forward to seeing you there!

FACULTY AND STAFF APPRECIATION

We are honoured to present Ms. Maricel Franciledo from the Business Program Department with **"The Joyful Performer"** award for her outstanding dedication and contributions. Her positive attitude, supportive nature, and patience bring joy not only to her students but also to everyone around her at ACE Career College.

(Edwin Sanchez, Maricel Franciledo, Myla Ignacio, and Hazel Sanchez)

STUDENT FEEDBACK MATTERS! ☆☆☆

We would like to feature two of our graduates who shared their feedback regarding their experience at ACE Career College

"The best online class experience is one that meets my specific educational and personal needs, allowing me to learn at my own pace and on my schedule. This flexibility is particularly beneficial for my busy lifestyle and work commitments."

-Jorge (BAPA Graduate)

Balancing school and work is hard, but with good and supportive instructors, I can succeed and be proud of myself."

-Evangeline (BAPA Graduate)

Student Feedback (Synchronous Program)

Student Feedback (Asynchronous Program)

To all students, if you wish to share your academic experience at ACE Career College, please feel free to reach out to us. We value your insights and would love to hear more success stories from you.
