## Happy World Teachers' Day

October 5th is a special day for our instructors and all the teachers around the world. World Teachers' Day 2024 theme is "Valuing Teacher Voices: Towards a New Social Contract for Education." The theme highlights the need to include teachers' perspectives while forming any educational policy around the world. We extend our heartfelt gratitude to our instructors for their hard work, patience, and relentless pursuit of excellence. ACE Career College celebrates all of you on this special day and the profound impact you have on our educational community.

## World Mental Health Day – October 10, 2024

ACE Career College joins the global community in raising awareness and promoting open conversations about mental health. This year's theme is "Mental Health at Work." A supportive work environment fosters mental health, providing purpose and stability. The college believes that mental well-being is just as important as physical health. Let us continue to support each other, spread kindness, and create spaces where it is safe to talk about mental health.

Please see World Health Organization (WHO) website for more information about [World Mental Health Day](#). Taking care of our mental health is a sign of strength, not a weakness.

## Happy Thanksgiving from all of us at ACE Career College!

As we gather to reflect on the past year, we are grateful for our students, staff, and community who continuously inspire us to strive for excellence. Thanksgiving Day always brings warmth, joy, and an abundance of reasons to be thankful.

### Trick-or-Treating

On the evening of October 31st, people, mostly excited young children in costume, are out in the neighbourhoods trick or treating. The Canadian Red Cross shares these Halloween safety tips to ensure a fun and safe trick-or-treating night.

### Trick-or-Treating Tips

- Children should stay on sidewalks—walking, not running
- Plan a trick-or-treat route ahead of time and ensure kids follow one side of the street before crossing to the other.
- Cross the street only at intersections or crosswalks. Remind kids to look both ways for cars, trucks, and the occasional low-flying broomstick.
- Carry a flashlight to help see and be seen by others.

### Costume Safety

- Choose light-coloured, flame-resistant costumes with reflective strips
- Make sure costumes are short enough to prevent tripping
- Add reflective tape to bikes, skateboards, and brooms
- Avoid costumes with masks or items that obstruct vision
- Steer clear of open flames and candles as costumes can be highly flammable

## FACULTY AND STAFF APPRECIATION

For outstanding contributions and dedication, we are honoured to present Ms. Manjot Kaur with the **"Positive Force"** award.

Your unwavering positive attitude is a cherished asset in our workplace. Both students and the team deeply appreciate your engaging, supportive, and helpful nature.

We celebrate your impact, Manjot, and thank you for consistently uplifting those around you with your energy and enthusiasm.

## STUDENT FEEDBACK MATTERS! ★★★★★

Ms. Kaur is highly engaging and provides practical, actionable advice. She offers valuable insights into career planning and development, making the course highly relevant and useful to students.

-Marites V. (BAPA Student)

Ms. Manjot has great interactions with students and always responds to any questions and helps students learn by taking the time to explain things until they understand.

-Rochelle K. (BAPA Student)
