SPRING HAS SPRUNG: A SEASON OF RENEWAL AND CELEBRATION

Welcome to April!

As the frost recedes and the days grow longer, spring has officially arrived! This vibrant season breathes new life into the world around us. Trees burst into bloom, the air fills with the sweet fragrance of fresh blossoms, and birdsongs grace the atmosphere, reminding us of the beauty of transformation.

Within our school community, the arrival of spring holds special significance. It inspires renewed energy, growth, and fresh opportunities for students and instructors alike. This is a time to embrace change, strive toward new goals, and celebrate the progress made throughout the academic year.

As we welcome spring, we also eagerly anticipate one of the most meaningful events in our school calendar—the convocation on the 17th of May 2025.

This event marks the culmination of hard work, determination, and perseverance by our graduating students. It is a moment of pride, reflection, and excitement for the future. The entire community comes together to honour their achievements and send them forward to chart new horizons.

Let us take a moment this spring to appreciate its impact on our lives and our school community. As we prepare for the convocation and other exciting milestones, let's fully embrace this season of renewal and look ahead to a bright future.

APRIL 2025: A TIME FOR REFLECTION AND CELEBRATION IN CANADA

As spring blossoms across Canada, April 2025 brings meaningful holidays for reflection, family bonding, and celebration. This month features Good Friday on April 18 and Easter Monday on April 21.

Good Friday commemorates the crucifixion of Jesus Christ and is observed nationwide with solemnity. Most businesses, schools, and government offices are closed, and many Canadians attend church services.

Easter Monday follows Easter Sunday and is a federal holiday in Canada although its observance varies by province and region. It provides time to relax after Easter festivities and enjoy moments with loved ones. In a uniquely Canadian twist, visitors can marvel at the Pysanka—the world's largest Ukrainian Easter egg—in Vegreville, Alberta.

These holidays align with the essence of spring, inspiring renewal and connection. April 2025 offers Canadians the perfect opportunity to slow down and embrace the holidays.

Warm wishes to everyone who celebrated Eid Mubarak on March 31st! 🌙🌟

We hope you had a wonderful time with family and friends, filled with joy and delicious food. Wishing you peace and prosperity!

STUDENT FEEDBACK

At ACE Career College, we deeply value our students' feedback. It is instrumental in our continuous efforts to enhance the learning experience for both students and instructors. Your insights help us pinpoint areas for improvement and ensure we deliver the highest quality education.

My experience at ACE Career College has been incredibly rewarding. The staff and instructors are supportive, approachable, and genuinely care about student success. I really appreciated the modular course structure and flexible schedule — it allowed me to balance my studies with other responsibilities without feeling overwhelmed.
