Welcome To OCTOBER!

October has truly been a month of gratitude and celebration for the ACE Career College community.

We began the month by recognizing and appreciating our instructors on World Teachers' Day, October 5, with small tokens of appreciation prepared by the school in recognition of their dedication and hard work.

Over the Thanksgiving long weekend, we also took time to reflect on and appreciate the many blessings we share as a college community. We are grateful for our students, instructors, staff, partners, and supporters whose trust, commitment, and contributions continue to help ACE Career College grow and thrive.

On October 8, we celebrated another significant milestone with the Blessing and Open House of our new campus. Students, instructors, guests, and community members had the opportunity to tour the facility, learn about Our Story, and explore our newly opened mini museum.

The college also participated in the National Association of Career Colleges (NACC) 2026 Conference in Ottawa, where attending staff engaged in valuable discussions, built meaningful connections, and exchanged ideas with colleagues from across the sector.

As winter begins to make its presence felt, many of us experienced the season's first snowfall. While the weather continues to get colder, everyone is welcome to enjoy the warmth and welcoming atmosphere of our new campus.

Looking ahead, we are excited to welcome new students to our Business Accounting & Payroll Administration (BAPA), Executive Administration (EA), and IT Technician (ITT) programs this November 2026. To learn more about our programs, visit our campus or call 587-617-4777. We look forward to helping you take the next step in your educational journey.

CELEBRATING OUR INSTRUCTORS ON WORLD TEACHERS' DAY 2026

On October 5, 2026, ACE Career College proudly joined educators and institutions around the world in celebrating World Teachers' Day, an occasion dedicated to recognizing the invaluable contributions of teachers in shaping lives, communities, and futures.

This year's UNESCO theme, “Standing with Teachers: 60 Years of Protecting the Profession, Advancing Its Status and Shaping Our Futures,” highlights the enduring importance of the teaching profession and the need to continue supporting educators as the educational landscape evolves. Amid advancing technologies, changing learner needs, and new opportunities in education, teachers remain at the heart of student success.

At ACE Career College, we are grateful for the dedication, professionalism, and compassion our instructors bring to their classrooms every day. Through their guidance, encouragement, and commitment to student learning, they help create meaningful educational experiences that empower students to achieve their goals.

To express our appreciation, the college prepared small tokens of gratitude for our instructors in recognition of their hard work and contributions. While the gifts were a simple gesture, they reflected our sincere thanks for the positive impact our instructors make on the ACE community.

We extend our heartfelt appreciation to all our instructors for their unwavering commitment to excellence. Your passion for teaching strengthens our school and supports student success.
Thank you for all that you do.

Happy World Teachers' Day!

World Mental Health Day 2026: Listening to Real Voices, Creating Real Change

Observed every year on October 10, World Mental Health Day highlights the importance of mental well-being and access to support. This year’s theme, ***“Lived Experiences Heard: Real Voices, Real Change,”*** reminds us that listening to people who have faced mental health challenges can help create better support systems and stronger communities.

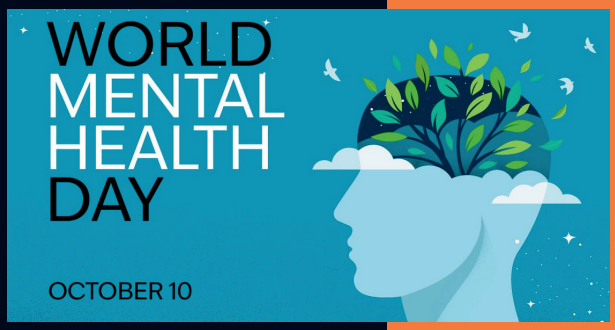

Mental health affects how we cope with daily responsibilities, relationships, and life’s challenges. Students, instructors, and staff may experience stress from academics, work, finances, or personal circumstances. Because these challenges are not always visible, understanding and open communication are important.

This year’s theme encourages us to listen with empathy, respect different experiences, and support one another without judgment. By creating a culture where people feel heard and valued, we can help build a more caring and inclusive school community.

FROM AWARENESS TO ACTION

Recognizing mental health challenges is only the first step. We can all help by talking about mental health respectfully, checking in on others, and encouraging those who need support to seek help. Schools also play an important role in promoting awareness and connecting students with available resources.
This World Mental Health Day, let us continue fostering a school community where mental health can be discussed openly, people feel heard, and everyone is treated with dignity and respect.

Careers, Coast to Coast to Coast: ACE at NACC 2026 National Conference

ACE Career College was pleased to participate in the National Association of Career Colleges (NACC) 2026 National Conference held in Ottawa. Representing the college were Hazel Sanchez, Myla Ignacio, and Elizah Sanchez, who joined career college leaders, educators, policymakers, and industry partners from across Canada to explore current trends, challenges, and opportunities in career education and workforce development.

The conference was a valuable opportunity to learn from industry experts, connect with our Vital Program partners, and exchange ideas with colleagues from across the country. Through keynote presentations, breakout sessions, and networking events, attendees gained insights into student success, innovation, leadership, and the evolving needs of both learners and employers.

Beyond the learning opportunities, the conference provided a chance to strengthen existing relationships and build new connections within the career college sector. The ideas and perspectives shared during the event will help support ACE Career College's ongoing commitment to providing quality education and preparing students for success in the workforce.

THANKSGIVING DAY

In observance of Thanksgiving Day, there were no classes at ACE Career College, allowing students, instructors, and staff to spend quality time with their families and loved ones.

The holiday provided an opportunity to reflect on the many blessings of the past year and to express gratitude for the support, friendships, and achievements shared within our college community. We hope everyone enjoyed a wonderful Thanksgiving celebration filled with warmth, joy, and meaningful moments with family and friends.

Enriched ACADEMY

Smart Money Habits Start Here

UPCOMING WEBINARS

We have webinars for you! Register for a webinar on a variety of money topics. Click to see our 2026-2027 webinar schedule and register here!

FINANCIAL LITERACY CONTESTS

From September through November 30, we are celebrating **Financial Literacy Month** with exciting contests and cash prizes.

How much do you know about managing money? From understanding everyday expenses to making sense of financial choices, learning about personal finance can help you make more confident decisions now and in the future.

Enriched Academy provides students with opportunities to explore financial topics beyond their regular coursework. If you would like to learn something new, check out the available webinars for the 2026–2027 school year and find a session that interests you.

There is also time to get involved in the Financial Literacy Month contests, running until November 30, 2026. Look at the available contests for a chance to win cash prizes.

Ready to take a look? Visit Enriched Academy to explore the webinar schedule and contest details.

Halloween Safety: Let's Keep the Spooky Fun Safe!

Halloween is just around the corner! As students, instructors, and families prepare for the celebrations, it is a good time to review a few safety reminders. Whether you are participating in school activities, going trick-or-treating, driving, or handing out treats, keeping safety in mind helps everyone enjoy the evening.

Have a safe and happy Halloween!
For more information, visit Health Canada's Halloween Safety Tips.

For Students and Parents

- Wear costumes that fit well and are easy to see through.
- Stay together, use crosswalks, and carry a flashlight.
- Check treats before eating them.

For Schools and Instructors

- Follow school guidelines for costumes and Halloween activities.
- Keep hallways, stairs, and exits clear.
- Be mindful of students with food allergies.

For Drivers

- Slow down near schools and in residential areas.
- Watch for children crossing the street.
- Avoid distractions and check carefully before backing up.

For Homeowners

- Turn on outdoor lights and keep walkways clear.
- Use battery-operated candles instead of real candles.
- Keep pets and hazardous items away from children.

Instructor Spotlight

Ms. Mishal Fareed

ACE Career College is proud to recognize Mishal Fareed for successfully completing the National Association of Career Colleges (NACC) Levels I and II Certification Program for Instructors. Through this achievement, she also earned the Career Education Colleges and Universities (CECU) Certified Higher Education Professional (Excellence in Teaching) designation, demonstrating her commitment to continuous professional growth and teaching excellence.

Since joining ACE Career College in 2022, Mishal has taught a range of courses, including Bookkeeping, Accounting, Taxation Fundamentals, Computerized Accounting, Business Mathematics, and Business Law.

As a Certified Payroll Compliance Practitioner, Mishal brings extensive industry experience in payroll, accounting, and human resources to the classroom. Her practical teaching approach combines workplace examples, hands-on learning, and real-world scenarios, enabling students to understand complex concepts and apply them with confidence.

Her industry expertise is especially valuable to students preparing for careers in accounting and payroll administration. By incorporating current industry practices, compliance standards, and real-world applications into her instruction, she helps bridge the gap between classroom learning and workplace expectations.

Known for her approachable nature and dedication to student success, Mishal fosters an engaging and supportive learning environment where students are encouraged to participate, ask questions, and grow professionally. Her passion for education and commitment to excellence continue to make a meaningful impact on the student experience at ACE Career College.

FEEDBACK FROM STUDENTS

Ms. Mishal consistently displays eagerness to teach. She is engaging, responds to queries in a timely manner, and is very supportive and accommodating.

Elizah S.
BAPA Student

Miss Mishal is a knowledgeable, patient, skilled, and supportive instructor. She explains complex accounting concepts clearly and makes learning easier and enjoyable. I appreciate her guidance, encouragement, and dedication throughout the class. Thank you, Miss Mishal, for sharing your knowledge and helping us to learn.

Princesita I.
BAPA Student

Once again, Mandeep has been more than amazing! Normally, this particular topic would have been quite boring, but she somehow makes it very enjoyable. Thanks, Mandeep!

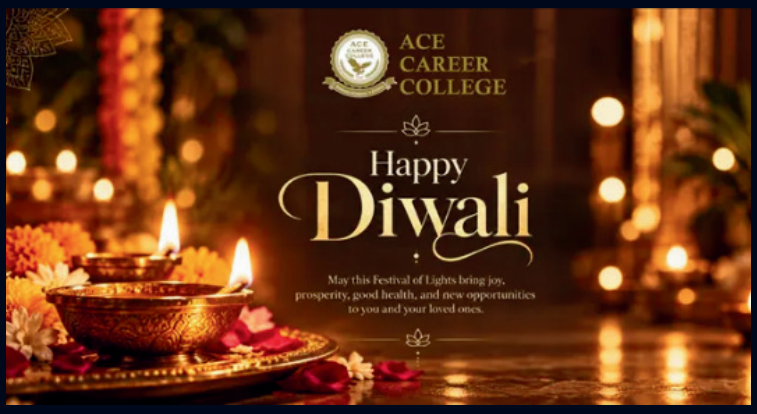

Marx DC.
ITT Student

I really enjoyed this course. Mr. Emad Tawadrous explained complex topics clearly and was always very helpful during sessions, which made learning much easier.

Razvan B.
BAPA Student

Ma'am Kaur is very clear with the lessons and points. She's very approachable too. I learned a lot from our class regarding Canadian law, since my family and I have only been here in this wonderful country for two years. I am very grateful to our teacher, Ms. Kaur, for her clear classes and lessons. Thank you, Ma'am!

Sharon M.
BAPA Student

HAPPY DIWALI!

This November, we join our students, staff, and community members in celebrating Diwali, the Festival of Lights. Diwali is a time of joy, gratitude, hope, and new beginnings. As we celebrate the diversity of our ACE Career College community, we extend our warm wishes to everyone observing this special occasion.

May the light of Diwali bring happiness, peace, and prosperity to you and your loved ones.
Happy Diwali 2026!

IMPORTANT STUDENT REMINDERS

- Complete Your Exit Interview: Submit your exit interview form to the Admissions Department upon completing your program.
- Stay Informed: Check your school email regularly for important announcements, updates, and deadlines.
- Check Your In-Person Class Schedule: Review the in-person class schedule sent to your school email by Ms. Elizah Sanchez.
-
- Provide Your Feedback: Complete the course survey after each class. Your feedback helps us improve our courses and student experience.
- Request Your Official Transcript: After completing your program, contact the Admissions Department to request your official transcript.

UPCOMING EVENTS AND DEADLINES

- **October 12** – Thanksgiving Day (No Classes)
- **November 5** – ITT November 2026 Intake Orientation
- **November 9** – First Day of Classes for the ITT November 2026 Intake
- **November 11** – Remembrance Day (No Classes)
- **November 19** – BAPA/EA November 2026 Intake Orientation
- **November 23** – First Day of Classes for the BAPA/EA November 2026 Intake
